Defendant.)	

Plaintiff MARIO BADESCU SKIN CARE, INC. (hereinafter, “Mario Badescu”), by its attorneys WEG AND MYERS P.C., as and for its First Amended Complaint against Defendant SENTINEL INSURANCE COMPANY LIMITED (hereinafter, “Sentinel”), hereby alleges as follows:

NATURE OF THE ACTION

1. Plaintiff has commenced this action against Sentinel for Sentinel’s breach of their contractual obligations in failing to compensate Plaintiff pursuant to the terms of an all-risks policy of insurance issued by Defendant to Plaintiff for a non-excluded loss suffered by Plaintiff beginning on or about March 16, 2020, as a result of the SARS-CoV-2 pandemic.

2. Plaintiff operates a salon at 320 East 52nd Street, New York, New York 10022 (the “Premises”), where Plaintiff provides personal salon services including but not limited to facials, massages, waxing, electrolysis, manicures, pedicures, body wraps, and other services by skilled aestheticians (the “Salon Services”).

3. The Salon Services involve close physical contact between the salon staff and its patrons. For example, a facial involves salon staff using their hands to massage cleanser into a patron's face, neck, and décolletage while the patron is seated in a reclining position.

4. Similarly, a massage would involve the salon staff using their hands to physically alleviate a patron's back or neck tension, generally with the use of massage oil or lotion as a lubricant while the patron rests on a massage table.

5. Although salon staff take care to properly cleanse surfaces and applicators to avoid cross-contamination between patrons, surfaces and certain products are necessarily used for more than one patron, with multiple salon staff exposed to same.

6. As such, the presence of any contaminant or virus on any surface or product or within the environment within Plaintiff's Premises represents a physical loss or damage at Plaintiff's business.

PARTIES

7. At all relevant times herein mentioned, Plaintiff Mario Badescu was and is a domestic business corporation created under and by virtue of the laws of the State of New York, with its principal place of business at 320 East 52nd Street, New York, NY 10022.

8. At all relevant times herein mentioned, Defendant Sentinel was a foreign corporation organized and existing under and by virtue of the laws of the State of Connecticut and maintaining its principal place of business at One Hartford Plaza, Hartford, Connecticut 06155.

JURISDICTION AND VENUE

9. This action is filed under and pursuant to 28 U.S.C. § 1332, in that Plaintiff and Defendant are residents of different states and the amount in controversy exceeds \$75,000.00, exclusive of costs and interest.

10. This action involves a dispute as to the rights and obligations of the parties in connection with an insurance policy that Plaintiff procured from Defendant, a foreign corporation authorized by the Department of Financial Services of the State of New York to issue policies of insurance in the State of New York that regularly insures individuals in the State of New York and specifically in this District.

11. Pursuant to 28 U.S.C. § 1391(b)(2) venue is proper as Plaintiff is a business organized and existing under and by virtue of the laws of the State of New York, and the property at issue in this litigation is located in the Southern District of New York.

12. An actual controversy of a justiciable nature exists between Plaintiff and Defendant involving the rights and obligations of the aforesaid policy of insurance and the aforesaid controversy can be determined by the judgment of this Court without further suit.

THE NOVEL CORONAVIRUS AND ITS EFFECTS

13. It is beyond cavil that the world is currently experiencing a global pandemic from a disease caused by a novel coronavirus (specifically, SARS-COV-2) and commonly referred to as Covid-19.

14. From at least as early as December 2019, Covid-19 began spreading, first in China and then, because the disease is highly contagious, rapidly around the globe.

15. On January 30, 2020, the World Health Organization (WHO) declared the Covid-19 outbreak constituted a public health emergency of international concern.

16. Not only is SARS-COV-2 transmitted via human-to-human, but the WHO and scientific studies have confirmed that the virus can remain infectious on objects or surfaces.

17. By February 25, 2020, the Center for Disease Control (“CDC”) warned Americans that the world was on the brink of a global pandemic, effectively dismantling any notion that

SARS-COV-2 would not affect the population of the United States.

18. From that point forward, COVID-19 and its damaging consequences received wide spread media attention.

19. As a result of this outbreak the Center for Disease Control began recommending that individuals stay at home and those who are not sick engage in preventive measures such as constant hand washing and the avoidance of activities that would bring them into close proximity of people or surfaces where the virus resides.

20. Given the nature of the Plaintiff's business, which specifically involves the close physical contact between salon staff and customers, the spread of the Covid-19 virus led to significant economic damages.

21. These damages resulted from damage to and from within the Plaintiffs insured premises as well as from premises within the vicinity of the various insured locations.

22. Such damage both existed on surfaces found within the insureds and surrounding premises as well as in the breathable air circulating within the insureds and surrounding premises.

23. Scientific studies suggest that the virus may remain active on surfaces for times varying from hours to days. Indeed, following an outbreak on a cruise ship, the CDC confirmed that the virus was still alive on surfaces within cabins on the ship up to seventeen days after the passengers departed the ship.¹

24. In addition, human beings spread Covid-19 through the simple act of breathing in air that contains viral droplets. The New York Times recently reported that "[a]n infected person talking for five minutes in a poorly ventilated space can also produce as many viral droplets as one

¹ <https://www.cdc.gov/mmwr/volumes/69/wr/mm6912e3.htm>

infectious cough.”²

25. Moreover, studies have verified that many individuals remain asymptomatic despite infection by Covid-19.³

26. Consequently, while it is possible to identify certain individuals who are suffering from obvious symptoms of the coronavirus, absent significant medical testing, it is impossible to distinguish between infected and non-infected members of the general public.

27. On or about March 23, 2020, an employee of the Plaintiff who worked at the Premises advised Plaintiff that they had recently tested positive for the Virus.

28. The employee in question had last worked in the Premises on or about March 16, 2020.

29. As a result of a concern regarding the presence of the Virus at the Premises, Mario Badescu suspended operations at the Premises on March 16, 2020 in compliance with New York State Health Code regulations requiring the maintenance of a sanitary facility and the taking of precautionary measures to prevent the transmission of contagious diseases.⁴

30. Since March 16, 2020, seven additional employees who worked regularly at the Premises have tested positive for the Virus.

² <https://www.nytimes.com/interactive/2020/04/14/science/coronavirus-transmission-cough-6-feet-arul.html>

³ <https://www.usnews.com/news/health-news/articles/2020-05-28/studies-detail-rates-of-asymptomatic-cases-of-coronavirus> (observing that 42% of infected persons in Wuhan, China were asymptomatic).

⁴ New York City Health Code §11.31, in effect at all relevant times, provides in pertinent part: “Acts likely to spread disease prohibited. (a) No person shall intentionally or negligently cause or promote the spread of disease: (1) By failure to observe, or by improper observance of, applicable requirements of isolation, quarantine, exclusion, treatment or other preventive measures, or by failing to take other precautions in caring for cases or carriers, or suspect cases or carriers of a contagious disease; or (2) By unnecessarily exposing himself or herself to other persons, knowing himself or herself to be a case or carrier, or suspect case or carrier of a contagious disease...”

31. On March 18, 2020, the Governor of New York issued Executive Order No. 202.6 (the “Workplace Reduction Order”). The Workplace Reduction Order required businesses throughout New York State to reduce the number of employees by 50%.⁵

32. The Workplace Reduction Order applied to all businesses in Manhattan, including hundreds of businesses located in office buildings within the vicinity of the Insured Property, upon which Plaintiff was dependent for regular foot traffic and clientele.

33. Major workplaces within 0.5 miles of the Insured Property, upon which Plaintiff depended for regular foot traffic and clientele, include but are not limited to the Waldorf-Astoria Hotel, the Chrysler Building, Trump Tower, Bloomingdale’s, and the United Nations (the “Dependent Properties”).

34. On March 19, 2020, the Governor of New York issued Executive Order No. 202.7 (the “Salon Order”). The Salon Order stated as follows: “Effective March 21, 2020 at 8 p.m. and until further notice, all barbershops, hair salons, tattoo or piercing parlors and related personal service will be closed to members of the public. This shall also include nail technicians, cosmetologist and estheticians, and the provision of electrolysis, laser hair removal services, as these services cannot be provided while maintaining social distance.”

35. The Salon Order applies to Plaintiff’s Premises and normal business operations at the Premises, where Plaintiff engaged in such named services governed by the Executive Order.

36. On March 20, 2020, the Governor of New York issued Executive Order 202.8 (the “New York on Pause Order”). The New York on Pause Order required all businesses in New York

⁵ Executive Order No. 202.6, in effect at all relevant times, provides in pertinent part: “Effective on March 20 at 8 p.m.: All businesses and not-for-profit entities in the state shall utilize, to the maximum extent possible, any telecommuting or work from home procedures that they can safely utilize. Each employer shall reduce the in-person workforce at any work locations by 50% no later than March 20 at 8 p.m.”

State, with the exception of “essential businesses,” to reduce their on-premises workforces by 100%.⁶

37. The New York on Pause Order applied to all businesses in Manhattan, including hundreds of businesses located in office buildings within the vicinity of the Insured Property, including but not limited to the Dependent Properties, upon which Plaintiff was dependent for regular foot traffic and clientele.

38. The Salon Order, the Workplace Reduction Order, and the New York on Pause Order (collectively, the “Executive Orders”), remained in effect in Manhattan through at least June 22, 2020, and still remain partially in effect.

39. In particular, guidance issued by New York State prohibited salons from providing facials, which are the primary service provided by Plaintiff at its salon.

40. The Executive Orders prohibited Mario Badescu from resuming normal business operations.

41. The basis of these orders were all predicated, in part, on the effect of the presence of Covid-19 within enclosed, highly trafficked locations.

42. For example, as stated in relevant orders issued by the City of New York, where Mario Badescu operates its salon location:

WHEREAS, on March 7, 2020, New York State Governor Andrew Cuomo declared a State disaster emergency for the entire State of New York to

⁶ Executive Order 202.6 provides, in effect at all relevant times, provides in pertinent part, “All businesses and not-for-profit entities in the state shall utilize, to the maximum extent possible, any telecommuting or work from home procedures that they can safely utilize. Each employer shall reduce the in-person workforce at any work locations by 100% no later than March 22 at 8 p.m. Any essential business or entity providing essential services or functions shall not be subject to the in-person restrictions. An entity providing essential services or functions whether to an essential business or a non-essential business shall not be subjected to the in-person work restriction, but may operate at the level necessary to provide such service or function.”

address the threat that COVID-19 poses to the health and welfare of New York residents and visitors; and

...

WHEREAS, this order is given because of the propensity of the virus to spread person to person and also because the virus physically is causing property loss and damage; and

NOW, THEREFORE, pursuant to the powers vested in me by the laws of the State of New York and the City of New York, including but not limited to the New York Executive Law, the New York City Charter and the Administrative Code of the City of New York, and the common law authority to protect the public in the event of an emergency:

...

Each employer shall reduce the in-person workforce at any work locations by 50% no later than March 20, 2020 at 8:00 p.m., and shall further reduce its in-person workforce to the extent required by any order of the Governor issued pursuant to his powers under section 29-a of the Executive Law.

New York City Emergency Executive Order Nos. 100, 102.

43. Mario Badescu suffered business income losses as a result of the Virus beginning no later than March 16, 2020 and continuing to present.

54. Unlike the Sentinel Policy in question in the instant case, Sentinel has issued other insurance policies to Plaintiff and to other customers that do include virus exclusions.

56. On March 16, 2020, and at all relevant times herein, the Sentinel Policy was in full force and effect.

57. At all relevant times herein, Plaintiff had an insurable interest in the Insured Property.

59. On April 14, 2020, Plaintiff provided Sentinel with timely notice of the loss.

61. Notwithstanding the fact that Plaintiff provided timely notice of their property damage to Sentinel, Sentinel has not issued any payment to Plaintiff and has denied coverage.

62. The whole loss and damage suffered by Plaintiff totals no less than \$2,992,256.38.

AS AND FOR A FIRST CAUSE OF ACTION AGAINST SENTINEL
(Breach of Contract)

63. Plaintiff repeats, reiterates and realleges each and every allegation contained within paragraphs "1" through "63," inclusively, with the same force and effect as though more fully set forth herein at length.

64. The Sentinel Policy constitutes a binding contract between the Plaintiff and the Defendant that was in full force and effect throughout the period of loss, including from on or about March 16, 2020 to present.

65. Plaintiff has performed all of its obligations under the Sentinel Policy.

66. Sentinel has affirmatively refused to pay for the damages suffered by Plaintiff, notwithstanding the fact that they constitute a covered cause of loss.

67. Sentinel denied Plaintiff's claim without any investigation, in further breach of its obligations to act in good faith to analyze any claims under the Sentinel Policy.

68. To date, Plaintiff has sustained a loss and damages estimated to total no less than \$2,992,256.38 as a result of Sentinel's refusal to pay pursuant to the Sentinel Policy.

WHEREFORE, Plaintiff demand judgment as follows:

- a) On its first claim against SENTINEL INSURANCE COMPANY, LIMITED,
in the amount of Plaintiff's damages, believed to exceed \$2,992,256.38, plus
interest thereon from March 16, 2020, together with attorneys' fees and the
costs and disbursements of this action;
- b) For such other and further relief as to which this Court deems just and proper.
